

## AMBRA Pro

Ambra Pro incorporates all the features of the Ambra Elite, designed for advanced-level athletes and young skaters who want to improve their level of performance (double jumps). Made with the highest quality natural materials (leather). This skate features: Pro Mount sole with Air System featuring an extremely innovative design, made of thermoplastic material that guarantees high performance by reducing weight and vibrations; the exclusive "Pro Mount" technology speeds up and guarantees greater stability of the blade assembly, while the Air Flow system allows constant air exchange and maximum breathability for the foot. Maximum comfort thanks to the anatomical profile, padded collar and breathable fabric lining (which also maintains the right foot temperature and prevents bacteria from forming), not forgetting the possibility of achieving perfect customisation via thermoforming. The special lacing system, made with reinforced eyelets, holes and hooks, allows multi-adjustable lacing at different points of the foot and ankle. Excellent support thanks to lateral reinforcements (40)
