

ANTARES

The ideal model for all young skaters who are improving their technique and want to make a greater commitment by tackling their first single jumps, and for amateurs who want to get serious. Leather upper that incorporates the design of the models used by established champions A thermoplastic sole with an ergonomic design to ensure lightness and stability Comfort ensured by the special comfort width, the breathable fabric lining (which also maintains the right foot temperature and prevents bacteria from forming), the ease of lacing, the soft collar and the possibility of thermoforming the shoe to adapt perfectly to the foot Support from the lateral reinforcements specially designed for single figures and jumps (35)
