

MOTIVO

With its innovative and lightweight design, the Motivo gives new skaters every advantage so they can develop and have fun. The unique shell, lower center of gravity and thinner sole give control and stability so skaters can learn to skate the edges. Edea know-how wraps your feet so you feel comfortable and keeps them in position so you develop the perfect technique. Motivo is designed for you with a shorter break-in time. Choose from the Edea Balancé, Rotation or Charme blades to have the perfect match for your Motivo boot.
