

ROYAL prime

Royal Prime is the brand new model from Risport and the answer to all high-level athletes' needs, to guarantee them the best performance (quadruple and triple jumps). Made with light materials and a high technological content (microfibre) that make it the lightest skate on the market today, it proudly reflects the aesthetic lines of the Royal model that has graced the winners' podiums at the World Championships and the Olympics. The Royal Prime model introduces two major innovations in the skating scene, both aimed at ensuring maximum performance: Special processing (crystallisation) that guarantees the stability of the materials and durability over time A special EVA insert that gives the tongue extreme flexibility, elasticity and maximum rebound It implements the features of Risport professional products, including: – The exceptional lining that guarantees maximum stability and control of the skate, with antibacterial and anti-inflammatory properties thanks to treatment with aloe – Leather sole with special angled processing that enables skaters to reach very high lateral inclinations; leather has the ability to stop vibrations being transmitted to the foot and simultaneously to ensure perfect control – Maximum comfort thanks to the anatomical profile, the ultra-padded collar and the possibility of achieving perfect customisation via thermoforming – The special lacing system, made with reinforced eyelets, holes and hooks, allows multi-adjustable lacing at different points of the foot and ankle – Maximum support thanks to lateral reinforcements (90)
