

ROYAL pro

Faithful to the Risport tradition with its iconic leather sole, this model designed for young professionals (triple and double jumps) combines design, comfort, performance and elegance while ensuring extraordinary lightness. This skate features: A brand new lining of the highest quality and technical value that acts as a cushion in the areas most subject to stress, like the ankles, without neglecting breathability, which is important for maintaining the right foot temperature and preventing bacteria from forming. Leather sole with special angled processing that enables skaters to reach very high lateral inclinations; leather has the ability to stop vibrations being transmitted to the foot and simultaneously to ensure perfect control. Maximum comfort thanks to the anatomical profile, the ultra-padded collar and the possibility of achieving perfect customisation via thermoforming. The special lacing system, made with reinforced eyelets, holes and hooks, allows multi-adjustable lacing at different points of the foot and ankle. Excellent support thanks to lateral reinforcements (65)
